

INVESTIGATION REPORT

Case Title: Murder in SQL City

Case Overview:

On January 15, 2018, a murder occurred in SQL City, sparking an intensive investigation to uncover the perpetrator behind this heinous crime.

Key Findings:

Witness Testimonies:

- Witness 1: Annabel Miller, residing at 103 Franklin Ave, reported seeing the murderer at her gym on January 9, 2018.
- Witness 2: Morty Schapiro provided crucial details about the suspect fleeing the crime scene with a gym bag from "Get Fit Now Gym."

Vehicle Details:

- Suspect 1: Jeremy Bowers (License ID: 67318), driving a vehicle with plate number 0H42W2, emerged as a primary suspect.
- Suspect 2: Tushar Chandra (License ID: 51739) was also investigated in connection with the crime.

Gym Membership Records:

Investigation of gym membership records revealed two individuals with "Gold Membership" status and gym bag initials "48Z."

- Suspect 1: Joe Germuska
- Suspect 2: Jeremy Bowers (Membership ID: 48Z55)

Conclusion:

After thorough analysis of witness testimonies, vehicle details, and gym membership records, it is concluded that **Jeremy Bowers** is the prime suspect in the murder case. The evidence gathered strongly points towards his involvement in the crime.
